## Welcome to the USA FutNet Federation

### Excellence through Play

We would like to welcome you as a member of the United States FutNet Federation; the Governing Body for the Sport of FutNet, one of the fastest-growing sports in the United States and the American Continent.

Our Federation was created in 2020 with the purpose of:

- continue the work and dedication of the FutNet athletes and officials with over 30 years of experience
- bring together all the players, officials, supporters, and FutNet enthusiasts under the umbrella of a National Organization
- represent, organize, promote and protect the Sport of FutNet and all of its members in the future

As part of the organizing process, since 2021, the Board of Directors has put together a plan with the hope that all the USFF members will come together to participate, engage, and deliver in our efforts of achieving the goals and objectives of the USFF.

### USFF-lead through example:
